Join Michigan State University’s Global Impact Initiative, designed to address the grand challenges through the creation of over 100 new faculty positions in some of the most promising and exciting fields of research. We welcome applicants from diverse backgrounds. MSU offers an inclusive and collaborative work environment. To learn more visit research.msu.edu/global-impact.

The Department of Computer Science and Engineering (CSE) at Michigan State University (MSU) invites applications for a faculty position in the area of biometrics. While the position is primarily for a junior faculty, candidates at other ranks may be considered. The successful candidate will be expected to develop an externally-funded interdisciplinary research program of international prominence that includes fundamental research, publications in high-impact journals and conferences, and training graduate students. Multidisciplinary research is strongly encouraged and is being actively pursued by the faculty members at MSU. Leadership is expected in the development of innovative educational programs that provide state-of-the-art knowledge to both undergraduate and graduate students. Candidates should have a Ph.D. in Computer Science or a closely related field, with demonstrated evidence of research accomplishments, teaching skills, and ability to work effectively with other researchers within the Department and colleagues on campus. Appointments will start in August 2017.

MSU enjoys a park-like campus with outlying research facilities and natural areas. The campus is in the city of East Lansing and adjacent to the capital city of Lansing. The Lansing metropolitan area has a diverse population of approximately 470,000 residents. Local communities have excellent school systems and place a high value on education. Michigan State University is pro-active in exploring opportunities for employment for dual career couples, both inside and outside the University: http://miwin.msu.edu/. Information about work and life at MSU and the College of Engineering can be found at http://www.egr.msu.edu/WE.

Applicants should submit a cover letter, curriculum vitae, the names of at least three references, and statements of their research and teaching interests through http://jobs.msu.edu and refer to posting #4074. Applications will be reviewed on a continuing basis until the position is filled. Review of applications will begin on January 2, 2017. For questions about this position, contact the search committee chair at search@cse.msu.edu.
